MEMORANDUM FOR: OFFICE OF COMMUNICATIONS

SUBJECT : Training Personnel in Maintenance Procedures for  
Infrared Communication Equipment (IS-1) at  
Contractors Facility

REFERENCE : Memorandum for Office of Communications  
dated 27 December 1955

1. As stated in the referenced memorandum, TSS/APD has set up a contractual arrangement with the manufacturer of the IE-1 Infrared Communication equipment which provides for three weeks instruction and training in the maintenance and use of the equipment. This training will be conducted at the contractor's facility [redacted] The instruction and training period will begin 7 May 1956 and will end 25 May 1956.

25X1

2. On the basis of previous discussions with representatives of your Engineering Division and Operations Division, provisions have been made for training two of your personnel. It is requested that the representatives selected contact [redacted] at their earliest convenience in order to make arrangements relative to the period of training.
